

Happenings around Kolping - November Report

Apology

I need to begin with an apology for not giving credit to all the ladies and girls who assisted the week before Schüetzenfest with the set up. Plain & simple I forgot to include them because they helped in the evenings. I am sorry for not including you and I hope that you will support Schuetzenfest in the future. Thank you for your help.

Festival Ground

Under Guenther Stark's direction a lawn sprinkler system was installed this past Labor Day. Pat Whalen brought a small track hoe and a ditch witch (Schulhoff Tool Rental) to trench the festival ground for the installation of the water line which is tied into the Dudley soccer field sprinkler system. Guenther coordinated the job and saw to it that the materials were on hand. A lot of work was done on Labor Day an appropriate name for the day. Russ and Andrew Hessler along with Guenther Stark and yours truly, Bob Bauer Werner Wilke supported the effort. Doris Wilke showed up around lunch time and offered to prepare lunch for us which were very much appreciated. When the water was turned on there were no leaks – not that we anticipated any.

The whole area was regarded to obtain the proper slope for good drainage and reseeded. This work was done by Team All Sports the company that the sports club has been using the soccer field's maintenance. Now the festival ground should over time turn into a quality, all weather multipurpose use area. A big thank you to Jim Stukenborg for his vision and all the helpers who made this a reality.

Schuetzenfest

Bob Bauer is still putting Schuetzenfest stuff away. We hope that he keeps a location list for the all the different storage areas so we can find those items in time for the next year so we don't have to purchase them again. Thanks Bob.

Pioneer

The Pioneer utility cart was out of service for about a month because of a fuel flow problem. Through the combined efforts of Norb Schomaker and Bill Adelman it is now back in service. It is hard to believe that this tool is so needed when it is out of service. Although the go-cart is operational we will have to replace the throttle cable over the winter. Thanks guys for getting this thing back on the road.

Honeysuckle

Quite a bit of honeysuckle has been cut by Andrew Hessler and his crew there is still much more to come down. The area looks much better than it did. We need to make the picnic area as appealing as possible because more weddings are being held out of doors. It is interesting to see this area being used for that purpose. We are told that a bride insisted on getting married on the soccer field in front of the goal in January when snow was flying. Tradition is being pushed all around.

Election

At the November (Friday Nov. 5) monthly meeting the annual election will take place. New board members and a new president will be elected. Nine candidates for the board are on the ballot which is great and we have heard that we have one candidate is on it for the president's position. We encourage you to attend this meeting to participate in this election.

Ted Tegenkamp, 513-941-6439

P.S. I apologize if I omitted to name someone who should have been mentioned. Call me so I can make a note of it for the next report.

Update on Kolping History Book

We made the deadline – the manuscript of the book was submitted to the publisher on September 1, 2015, and 600 copies were ordered. We have already received the proof for approval, and the book is well on its way to being printed. If all goes well, we should receive the books in the first or second week of November.

The Kolping Board very generously purchased over 100 extra books so that now the Society is able to offer these additional books at the pre-publishing price of \$35.00. Once these books are gone, though, if new copies are ordered, the price per copy would be substantially greater because of a smaller quantity being ordered. The Kolping Board has also decided to generously donate 30 copies of the book to various libraries, schools and other Kolping Families.

For those of you who will be picking up your copies of the book at the Kolping Center, we will set up a Sunday afternoon in November, with a succeeding evening, so that you can get your copy at those times. In addition, we will be bringing copies, if we have them by that time, to the Seniors meeting on November 10. If we receive the books in time, a notice of the dates and times for pick-up will be included in the November *Kolping Bulletin*. If we cannot get a notice in the *Bulletin*, we will personally notify you of dates and times by E-mail or phone. For those who have asked for their books to be shipped, we will also notify you when we will be shipping your copy.

We thank each and every one of you for your support, for your help, for your contributions of material for the book, and for your interest. It has been an amazing journey for us and we are confident that you will be happy with the result. If you have any questions or would like to order any additional copies, please contact us.

Schützen Club News

Shooting night is Oct. 16th at 8 p.m., Team sign-in and practice starts at 7:00 p.m. Captains who did not sign their team up in September need to arrive before their team members shoot (either practice or competitively). Captains are required to ensure their shooters are Kolping members, register their team, provide the treasurer with the team's fee of \$225.00, and president with signed waiver from each shooter.

HIGH practice shooter was Nick Krummen with a 68. No high individual or team will be posted until make-ups are shot in October.

Work Schedule will be available for teams to sign up for Targets, Bar, Food, or Tickets. Teams will be randomly assigned one of these tasks if no one volunteers. **Work schedule for October is:**

Targets: Team Lawson

Food: Team Luther

Bar: Team Callahan

Tickets: Team Sterwerf

GACL NEWS

On Saturday, September 6th, Dr. Don Heinrich Tolzmann, led an "Over the Rhine Tour" for the German American Ambassador, Dr. Pete Wittig and about forty people from the City of Cincinnati and various societies. He started at the former Kolping house on Republic Street, then south and east to the German Mutual Insurance Co. building at 12th & Walnut, Old St Mary's Church. At the end of the 1 ½ hour tour the Ambassador said "I'm surprised at how beautiful the city is and I'm pleased to see that the German heritage is still very much alive." I fully agree with the statement and want to add that the progress can best be seen on foot, not just driving through.
