## Message from Fr. Dan, Our Praeses

What a *Schützenfest*! Quite a crowd turned out, despite the Friday and Saturday rain showers. As I was slogging through the muddy parking fields Friday, Saturday and Sunday, my appreciation of all the work of our Kolping volunteers rose to new levels. The desire to get together again, I presume, is why such wonderful crowds turned out, not to mention the advertising campaign organized by Jim Stukenborg and committee. Blessed Adolph Kolping must be smiling on us from his place in the New Jerusalem, that's for sure.

Fr. Kolping appreciated and cultivated social interaction at every level. That is something we senior citizens need to embrace in reactivating our seniors and sports groups as we round out the summer. The young and spry are the future of the Kolping families around the world. We need to listen to them and encourage them by helping them discover ways in which they can shape the future of our Kolping family. We must allow them to lead us to new activities and creative ideas for advancing the spirit of our saintly founder. The young folks in the "apprentice" group that continues to grow should be encouraged to take an active part in our Kolping family.

When I was eating that huge chicken dinner on Saturday, there were lots of children in the hall. Some of the smallest ones were dancing to the rhythm of the music with great abandon, to the delight of their parents and grandparents. They, too, are the future of our Kolping family.

The same is true for the youngsters who were helping their parents in doing all the hard work of clearing tables, running errands, and assisting with everything from parking to carrying trays for our elders. The youth surely contributed a lot to make this year's *Schützenfest* the tremendous success it was. So too, all the volunteers and Tuesday workers and cooks. Let's keep on rebuilding our activities and communal spirit.

Fr. Dan Kroger, OFM

*Thank you!*

With the help of the following amazing folks, we made approximately 4,000 sauerkraut balls by hand for Schützenfest! We would not be able to have such a wonderful homemade option at the festival without their help! They are:

Sue Valentino, Barb & Russ Hessler, Amy & Paul Ahrnsen, Suzie & Paul Howell, Lisa Moore, Sylvia Smith, Angeline Ray, Roger Adams, and Ted Wilke.

Vielen Dank!

## A Note from the Former King & Queen

We would like to thank the Kolping Society, along with our King's Court and all our family and friends, for supporting us in our 2-year reign as your Kolping King and Queen. We could not have done it without all your support and help. We are sad to say goodbye, but the tradition must go on. We would like to congratulate the new King and Queen, King Bob and Queen Mary Pat, on this new royal adventure. We know they will be great at their new roles. We want to extend them warm wishes and all the best for their reign.

Your former König und Königin,  
Randall I and Katrina

## Reboot: In Person Kolping Genealogy

Time for a "reboot." We have been meeting using Zoom for many months, but we are now returning to live meetings in the Kolping Klubhaus: **first live meeting is August 8**. All meetings are at 2:00 pm and all are on Sunday afternoons.

Kolping members and visitors interested in learning more about tracing their German roots are invited to attend monthly meetings to learn more about the processes of genealogical research and to share their talents, skills, and research with other Kolping members. Our *Genealogy Group* 12-month schedule covers a wide variety of topics. Attendees decide topics.

We usually meet on the third Sunday of each month at 2:00 pm for an hour to 90 minutes. You will find the latest updated schedule posted on the Kolping genealogy website:

<http://www.kolpingcincinnati.com/Genealogy/Genealogy.html> Note we occasionally deviate from the usual third Sunday because of other bookings of the Clubhouse for other events. And we avoid Easter on April 17<sup>th</sup> in 2022 and Father's Day weekend (July 19<sup>th</sup>) as this is our next Schützenfest.

Our format for each meeting is to first focus on a particular genealogy theme or topic using the internet and then provide an overview of each topic. The rest of the time is spent one-on-one working with each other on capturing our information and expanding our skill sets. Mark your calendars now to schedule your research and enjoy the camaraderie of fellow members of Germanic origins. The meetings for the remainder of the year will take place on the following dates: **September 19<sup>th</sup>, October 10<sup>th</sup>, November 21<sup>st</sup>, and December 12<sup>th</sup>.**

**Interested? Send me your name, email address and phone.**

Dr. Tom Montgomery, montgota@gmail.com,  
montgota@miamioh.edu, 513-969-5383

There is no charge for these sessions. Non-Kolping members are also welcome. There will be a sign posted on the entrance door to the Klubhaus. Always check the website for any changes.

## **An Enormous *Schützenfest* Thank You!!!**

Fellow Kolping Members –

It is wonderful to report that we experienced a record *Schützenfest* weekend, which is truly a blessing! The ability to showcase to a record crowd how awesome *Schützenfest* and Kolping are is so rewarding and gratifying. Based on the many reports both at the fest and on social media, people had a great time. It is also clear we had an enormous amount of 1<sup>st</sup> time festivalgoers. We cannot thank our wonderful volunteers enough for all of their fantastic efforts. There are so, so many people to thank and I unfortunately cannot list them all.

We were able to accomplish this record in spite of the record amount of rain on Friday night. I want to make a special shout out of thanks to everyone associated with parking. The havoc and damage to our parking facilities caused by the rain on Friday was unbelievably difficult to deal with all weekend long. This, combined with record crowds, made life DIFFICULT. We should be very proud of the quality of service provided by our volunteers. To demonstrate how challenging it was, the 2 tow trucks we hired for 5 hours on Saturday night helped pull out over 60 stuck cars. This level of customer service was noted and thanked on social media. Moreover, we were able to hire these 2 tow trucks at a very inexpensive rate thanks to the efforts of a very special Kolping member.

As a precursor to *Schützenfest* 2022, I want to note that we will be making plans to add off-site parking next year. In a nutshell, we need to have better processes and facilities in place to deal with Mother Nature situations. We will also make adjustments to our parking procedures to help lessen the time it takes for festivalgoers to park. We are confident that *Schützenfest* will continue to grow and improved parking conditions are a top priority.

We need to thank all of our food service teams. They did an absolutely fantastic job delivering wonderful homemade food and treats. This was a very challenging year given the record crowds and major changes we made, particularly with the new Food Tent. Kolping should be very proud of the quality of our offerings, knowing that continued improvement and refinement continues to occur.

And of course, we want to thank all of our sponsors whose financial support is critical in enabling us to bring in truly fantastic, 1<sup>st</sup> Class German entertainment and to allow us to properly advertise and market *Schützenfest*, helping to transform it into a Citywide Event.

Our Basket Raffle, Games, and Merchandise areas did extremely well and had record results. There is so much work that goes into these areas and it is so nice to see the volunteers' outstanding efforts rewarded.

The Bubenplatz, Schnaps Cart, History & Heritage area, Shooting Events, Bier Dash, and all of our beer, wine, and refreshment stations add an extra level of fun and polish to Schützenfest. The special efforts of the volunteers in these areas continue to fundamentally help in our transformation of Schützenfest from a festival to an event. An event is what creates memories people want to enjoy year after year, and these areas create something special to help Schützenfest shine!

We want to also make a major shout out to our Setup and Teardown teams! Anna is so grateful for everyone's leadership and for so many people taking the initiative to show up each night.

I want to send a special thank you to our Electricians and everyone associated with the setup of electric at Schützenfest. The work they do and their commitment is amazing, especially in light of the changes we have made over the years. Their strength and flexibility are a true blessing.

I would be remiss in not thanking our volunteer coordinators. What they accomplish is truly incredible, as it takes approximately 1,000 volunteers to pull off Schützenfest.

Thank you so much to our longtime faithful members, who have been volunteering for so many years and have led the way in showing us what real teamwork can accomplish. They are an invaluable part of our team.

Finally, it is so wonderful to report the SIGNIFICANT contributions our newer Kolping members made and will continue to make in the future! Their leadership, hard work, and long hours were amazing and invaluable. These members played such an enormous role in the success of our planning, logistics, infrastructure, ordering, festival management, etc. We could not have accomplished what we did without our fantastic newer members working along with our awesome seasoned members. The future of Kolping and Schützenfest is bright!

I am particularly excited about our future and the move to the 3<sup>rd</sup> weekend in June (Father's Day weekend) next year (June 17 - 19, 2022). The lower humidity and temperatures we experienced this year are more typical of weather the 3<sup>rd</sup> weekend in June than the 3<sup>rd</sup> weekend in July. Our Schützenfest focus will remain on the family, with the adding of special features to treat dads like Kings on Father's Day at Schützenfest! Let's make Schützenfest the new family tradition of 2022.

It is going to be a great year with the new court of König Bob & Königin Mary Pat Findley and Jr. König Daniel Hull & Jr. Königin Carley Seibel! It will be fun and exciting to see the familiar and new faces come out and celebrate Kolping Style.

We have a great team and I look forward to working with all of you again in 2022 for an even greater year. I thank everyone again for everything!

Treu Kolping,

- Jim Stukenborg
