America's Longest Running German Fest! ~ Tradition Seit 1866

Schützenfest, translated as the Marksmen's Fest, is a traditional German festival dating back to medieval times. It celebrates a marksman saving a young child's life from an eagle attack. Schützenfest was brought to Cincinnati in 1866 by German immigrants.

We continue this tradition each year with the shooting of a hand-carved eagle. The winning marksman is crowned "Schützenkönig", or Shooting King, for the year. Come celebrate with us and enjoy the Gemütlichkeit!
